Sports Activity

The college strikes a balance between the axioms “Knowledge is power” and “Health is wealth” . The college promotes sports and games, as it offers the individual an opportunity to enhance self knowledge, expression, personal development, courage and social interaction. To develop team spirit, leadership qualities and organizing abilities among students, Annual sports meets are organized regularly in the month of February. The students of all departments are given an opportunity to participate and prove their talents. Based on the students performance at Annual Sports meet, the trophy is given to the best department of the college.

Entrepreneurship Development Initiative

Many management students aspire to become entrepreneurs and start their own business. Most of the Indian B-schools do not have a structured system of supporting budding entrepreneurs with business plan, revenue plan, HR policies, statutory compliances etc. Under the guidance of a number of renowned entrepreneurs, Asian Institutions impart knowledge and training in entrepreneurship.

Student Monitoring System

With an aim to give personalized attention and support to the students throughout their academic career, a group of 25-30 students are placed under the personal supervision of a faculty member department wise, who keeps complete record of the student attendance and academic performance. Each batch of the various department of the institute is given to a concerned mentor and the mentor looks after the student to clarify individual problems and makes a thorough analysis of every student's learning on the basis of his/ her performance. The mentor is responsible to give the monthly mentorship report to the concerned HOD of the respective department on 2nd of every month. The submitted report is restructured by HOD and need to submit on 4th of every month to the HR manager.

Career Counselling

The counseling cell is a unique feature of the college. It is organized to help students overcome the pressures of competition and of life in general and to meet challenges with confidence, courage and integrity. It gives a platform to the students to open up regarding different problems they might be facing

academically and personally. The students approach to the concerned HOD, mentor and placement officer about career development. In this regards the students always get positive reponse .

Scholarships and Awards

Asian Institutions has a wealth of scholarships available to students from all walks of life and from all over North East. The Asian Institutions Scholarship is for academic excellence, all-round ability and leadership. The awards are for top meritorious scholars of Asian Institutions, who are recognised and rewarded regularly.

Short term skill development program for AIMT students:
